

## **Watching Her Life In God**

Captivated,

I watched her watching

I watched her living

Mesmerized,

I attached myself

inside her glowing

Thankful,

I worshipped Him

as I felt her godly love

Blessed,

her effusion

of the sense of grace shone through

Certain,

others live anew and afresh

through the embedding of her godly life

Humbly,

I honor the Lord for her godly prayers

and the fragrance of her loving presence
